### **FULL DETAILS OF NEW ADDITIONS - JULY 2009**

**DVD ■ UFO Mexico 2009: Latest UFO Sightings and Close Encounters In Mexico** - Jaime Maussan and Santiago Yturria Garza present the latest UFO sightings and close encounters in Mexico - the only country in the world with a TV programme dedicated to news concerning the ET phenomenon. Plus recent world video evidence - claimed to be the most amazing video to date! Plus footage never shown before from all over the world, not just Mexico. This presentation from the UFO Congress will shock and amaze even the biggest sceptics out there. £10

**DVD ■ In Search Of The Great Beast** - Aleister Crowley, self proclaimed 'The Great Beast', '666' and known as 'The Wickedest Man In The World' was one of the most controversial and notorious individual in British history. This 2 hour documentary including dramatic reconstructions unearths the barely believable and shocking facts surrounding a man who was voted to be one of the most evil and influential Britons of all time! Examining his connections to the founder of Scientology, NASA, George Bush, The Beatles, Led Zeppelin, Jack The Ripper, Winston Churchill and Ian Fleming. How did this Occulist, Spy, Poet, Writer and accomplished Mountaineer come to know and influence so many other remarkable people? A splendid well put together fact packed documentary. £10

**DVD ■ Ozone: A Medical Breakthrough!** - A groundbreaking investigative documentary video filmed in 11 countries over 16 years. Today many hospitals around the world use Ozone Therapy as a remedy for Cancer, HIV, AIDS, Hepatitis, Herpes, MS, Fibromyalgia, Epstein Barr, Parkinsons, Eczema, Pain, Stroke, the list is lengthy. It is extremely effective with no adverse side affects and it has profound positive effects on virtually any disease known to man. However, it is of course not approved in the UK or the US by the medical mafia. Featuring interviews with many doctors, patients, experts and health representatives. Exceptional information and definitely a must see!!! £10

**DVD ■ UFOs And The Occult: Reptilian Overlords, Mind Control And The New World Order** - At the Roswell UFO Festival, in an incredible presentation, James Bartley discusses the reptilian aspects of UFO and military abductions. Specific subject areas also covered include astral operatives, reptilian mindset, sexual assaults and manipulation of abductees, and more. These reptilian-human hybrids are the driving force behind most of the systemic cruelty and wickedness on Earth: occult rituals, human sacrifice, the systematic sexual exploitation of women and children, the use of Mind Controlled Sex Slaves, the International Child Prostitution business, Sexual Slavery and Torture, International Drug Trafficking with its concomitant miseries, Genocide, Human Experimentation, Chemtrail spraying and nausea are all spawned from the Reptilian Mind. Unlike anything you will have ever heard of before. £10

**DVD ■ The Paranormal Hollow Earth** - This is a very exciting new concept talk by Clint Denyer that our earth is hollow. Clint will be presenting evidence and giving accounts of expeditions to substantiate the existence of the hollow earth and the existence of polar entrance points. This talk also covers the history of the hollow earth, and its pure spiritual message to us and show why it has been concealed from everyone, also detailing the hollow earth's connection to Ancient Civilisations. Plus quite a few surprises along the way. Startling and mind blowing disclosures that will absolutely astound you. A riveting and passionate presentation. £10

**CD ROM ■ Germany's War** - The official version of WW1, WW2 and the so-called Holocaust were written by the victors. Both World wars were planned and started by these very same victors. To cover up the roles they played, and justify their very own war crimes they simply rewrote history and put the full blame for everything onto Germany. A clinical expose of many suppressed historical facts that prove Germany did not start either of the World Wars, nor did the Germans plan or carry out a Holocaust against European Jews. Includes video and audio clips as well as a plethora of many very important documents including The Protocols of Zion. The evidence is overwhelming. Truly jaw dropping. Note: This multimedia CD ROM will only play on a computer. £7
