Audio CD - **"New Addition" The Bilderbergers Exposed** - A former BBC presenter, who is also an authority on the Bilderbergers and other subversive movements, gives an astonishing expose in this exclusive interview. £10

Audio CD - **"New Addition" The Two Greatest Swindles** - In this brilliant lecture, Dr Matthias Rath lays bare the nefarious activities of the Church and the indulgence traders during the middle ages, where millions were deliberately kept living in poverty and were deliberately kept illiterate by those in power. God's language was Latin! Then making striking comparisons with what is happening today in the medical and pharmaceutical industry, and their secret code language of medicine, targeting symptoms instead of treating the causes thus creating an industry that should not even exist - the sickness Industry. An absolutely magnificent & powerful expose. £10

DVD - **"New Addition" Oil, Smoke and Mirrors** - Offers a very credible and well evidenced alternative view of present global issues that are largely marginalised, if not totally ignored by the mainstream media & politics. Including peak oil, 9/11 - an inside job, Al Quada & Bin Laden - a fake enemy created by the US, the UK and Israel - to enable them to justify stealing diminishing energy resources from the rest of the world. Includes a substantial & eloquent fact based contribution by Michael Meacher MP. Excellent. £10

DVD - **"New Addition" Monopoly Men** - Many people will be shocked to discover that the Federal Reserve in the US and the Bank of England in the UK are "Privately Owned Companies" whose principal business is to print money from nothing, lend it to the governments and charge interest on these loans. Who keeps the interest? Good question. Find out as the connective tissue between these and other top secret international organisations is explored and exposed. £10

DVD - **"New Addition" The (Suppressed) Origins Of Religion** - An amazing lecture by David Boyle an expert on prehistory giving you the true history of religion. This most informative lecture will rock many of your fixed ideas like an earthquake. Prepare to be absolutely astounded. £10

DVD - **"New Addition" The Iron Wall** - In 1923, Vladimir Jabotinsky-father of the Zionist right - wrote: "Zionist colonisation ... can proceed and develop only under the protection of a power that is independent of the native population - behind an IRON WALL, which the native population cannot breach." This is a very powerful film exposing one of the most pressing issues of the Palestinian-Israeli conflict which breaks every international and human rights law that exists. A compelling fact based expose. £10

DVD - **"New Addition" Ultimate Warrior** - Duncan O'Finioan was the Ultimate Warrior who was brainwashed, conditioned and controlled as part of a highly classified MKULTRA programme called PROJECT TALENT. From a thousand others trained as child warriors in 1966, he is now, he believes, only one of around 20 left alive to tell the story - and what a story it is. Mind blowing stuff indeed. £10
